Silicon Valley

DEAR FRIENDS,

We are writing on behalf of Cancer Support Community Silicon Valley (formerly The Wellness Community Silicon Valley) to invite you to become a sponsor for the Third Annual Star Caregiver Gala. It will be held on Thursday, March 3, 2011 at Villa Ragusa in Campbell.

After several years of fundraising, hard work and dedication, the Committee for The Wellness Community Silicon Valley combined resources with The Wellness Community San Francisco Bay Area to open Cancer Support Community Silicon Valley. Since the doors opened on June 5, 2010, more than 200 people affected by cancer have already received services. It is truly a time to celebrate and we hope you will join us.

The Gala is an opportunity to honor many individuals that spend countless hours caring for someone with cancer. By becoming an event sponsor, you are able to demonstrate your commitment to supporting people affected by cancer in our community.

Cancer Support Community provides support, education and hope for people with cancer and their caregivers, children, parents and loved ones. Our services enable cancer patients to manage their treatment and recovery as effectively as possible, increase their chances for survival and provide tools for a better quality of life.

All of our services are provided free of charge in order to be as accessible as possible to people affected by cancer during their time of need. Thanks to your support, proceeds from the Star Caregiver Gala will underwrite the care for hundreds of cancer patients and their families in our community.

Thank you so much and we look forward to seeing you at the 2011 Star Caregiver Gala.

Sincerely,

Pamela Hammer
