san francisco bay area
cancer support, education and hope

Dear Friends,

We invite you to become a Sponsor for the 16th Annual Wellness Golf Classic. It will be held on Monday, July 12, 2010 at the exclusive Orinda Country Club.

The Wellness Golf Classic has become one of the premier charity golf events in the Bay Area, played on a spectacular course, with several special amenities for each player.

The tournament will be a "shotgun" start and features a "shamble" format, whereby each player hits their drive, then the best drive is selected and, from that location, each player plays their own ball to the hole. This allows for players of all levels to participate and still enjoy the beauty and challenges of the Orinda Country Club course.

All proceeds from the Wellness Golf Classic will underwrite services and support for cancer patients and their families at The Wellness Community.

The Wellness Community provides comprehensive psychosocial support and education programs for people with cancer and their caregivers, children and families. Our services enable cancer patients to manage their treatment and recovery as effectively as possible, increase their chances for survival, and provide for a higher quality of life.

All of our programs are provided free of charge, in order to be as accessible as possible for people affected by cancer in their time of need. Our beautiful, warm, home-like facility is located in Walnut Creek, and we also provide programs and services in hospitals and other community locations throughout the East Bay.

With your support, over 1,500 people affected by cancer will be served by The Wellness Community San Francisco Bay Area during 2010.

We look forward to having you join us at the Wellness Golf Classic, and thank you very much for your support of The Wellness Community.

Bill Berkowitz
Chair, 2010 Golf Classic

James Bouquin
Executive Director

Susan Wichmann
Chair, Board of Directors
