BUTTERFLY RELEASE

Sponsor a Butterfly for Someone Who Has Been Affected by Cancer

Sunday • September 19, 2010 • 2-5 p.m.

at Cancer Support Community

The Vineyard, 455 North Whisman Road, Suite 300, Mountain View, CA 94043

Just as the butterfly is a symbol of transformation, The Cancer Support Community Silicon Valley (formerly the Wellness Community Silicon Valley) strives to provide renewed purpose and hope in the lives of cancer patients, survivors, their loved ones and caregivers.

Our Butterfly Release event is for friends and families to celebrate and honor the lives of those living or passed, who have been touched by cancer in some way. All proceeds from the event will directly benefit the Cancer Support Community Silicon Valley to provide support, education and hope to anyone affected by cancer.

At the Cancer Support Community, individuals affected by cancer can actively engage in their health care, regain a sense of control, connect with others, and find renewed hope and support. Your sponsorship of a butterfly in honor or memory of your loved ones will help continue our mission and provide free programs that support so many on the road to wellness.

Bring your family and friends for the festivities:
